

REMARKS

In response to the Restriction Requirement in the Office Action dated December 30, 2005, Applicants, through and by their representative, elect the claims of Invention I, claims 1-3, drawn to a process, for examination on the merits. Accordingly, Applicants have canceled claims 4-13 as directed to a non-elected invention. It is respectfully submitted that examination of new claims 14-25 would not present a serious burden to the Examiner as the methods of the new claims are similar to previously presented claims 1-3 at least in that new claims 14-25 involve polymerization of the same polymers as are polymerized in previously presented claims 1-3.

Examiner Gollamudi is invited and encouraged to telephone the undersigned at her convenience should she have any questions with regard to this application.

Please charge any additional fees required by this Response to Deposit Account No. 04-1403.

Respectfully submitted,

DORITY & MANNING, P.A.
